

Rules and Regulations of IIT Guwahati-Technology Incubation Centre

Introduction:

The 'IIT Guwahati Technology Incubation Centre' (hereafter referred to as 'the IITG-TIC'), a society registered under the Registration of Societies Act XXI of 1860, is set up to provide business support & technology transfer initiative for various sectors in the multidisciplinary areas of science & technology on behalf of Indian Institute of Technology Guwahati.

The term "incubation" refers to the process of support which is needed to start-up enterprises for successful development. The aim is to produce successful firms that will leave the programme financially viable and independent, through Science and Technology interventions.

The purpose of IITG-TIC is to incubate and materialize the conceptual ideas among the students and faculty members of Indian Institute of Technology Guwahati (IITG) and other similar Institutions and transform these ideas into value added products in the commercial market.

IITG-TIC will nurture nascent ventures by providing workspace and shared facilities along with focused counseling. In the IITG-TIC, the entrepreneurs can receive value added support and access to critical tools, information, education, contacts, resources and capital in the form of soft loan that may otherwise would have been unaffordable.

The following are the Rules & Regulations of the IITG-TIC:

1. Eligibility:

Companies are eligible for admission to the IITG-TIC provided its shareholders or partners are from only the following categories of persons:

- a. Alumni of IITG.
- b. the faculty members of IITG (as per rules of IITG)
- c. Ph. D. students in 4th and 5th years/B. Tech and M. Tech final year students of IITG with no backlogs can apply after obtaining No Objection Certificate from IITG.
- d. Alumni from B.E. / B. Tech. / M. E. / M. Tech./ Ph.D. in Engineering holders of State Govt. or Central Govt. founded institutions in the eight North Eastern States of the country.
- e. Graduates in Engineering, science from non-government colleges
- f. Individuals partnering with faculty members/alumni of IITG.

A company needs to be registered with the Registrar of Companies in order to be incubated in the IITG-TIC. The company must be a Private Limited Company. Companies involved in innovative technology-based product, idea or service will be acceptable. However, Partnership

or Proprietorship Firm if selected must form a Private Limited Company within a period of 3 months of admission to the IITG-TIC.

Technical staff including the cadre of scientific officers can participate as a technical advisor or consultant in a company operating from TIC.

2. Admission Process:

The application for admission to the IITG-TIC is to be made to the Chief Executive Officer, IITG-TIC in the form of a Application Questionnaire (AQ) (Annexure 'A'). The application will be scrutinized at an appropriate level and if found suitable the applicants will be asked to submit a formal application with a detailed proposal comprising of the following:

- a. Business Plan/Executive Summary.
 - b. Schedule of plan i.e. entry to the IITG-TIC and projected duration of incubation. The companies will be permitted to stay in the IITG-TIC, for a period of 24 months with a provision to extend the same for another period of maximum 12 months.
